The Wider Masterplan: A Dynamic Destination

Parcel 1 is the first phase of a comprehensive mixed-use regeneration strategy.

Potential SEN School

CGI VIEW

USE CLASS

Class F1 education

BUILDING SIZE

Up to ~70,000 sq ft

TENURE

Leasehold / Freehold

Key opportunity points

-  **Existing Class F1 education use property**
Established education accommodation, vacant and ready for repurposing, with planning use referenced as F1 education in the brochure.
-  **School accommodation up to ~70,000 sq ft**
Floor and layout plans are available, with the final area and configuration to be shaped around occupier requirements.
-  **Identified high regional need for new SEN settings**
Approximately 61% of pupils requiring SEMH provision have been placed outside the county due to a shortage of suitable local settings.
-  **Secure parking and outside space**
Dedicated parking can be agreed to suit requirements, with a refined option showing approximately 40 spaces, a secure entrance and external courtyard space.
-  **Leasehold or freehold considered**
Flexible route depending on operator and investor requirements, with all enquiries invited.

EVIDENCE LINE

SEN demand statement supported by the Broadwater Road commissioning case and WSCC published material referenced in the brochure.

NEXT STEP

Share floor plans, confirm planning position and arrange operator or investor review.
